*Near the lovely mountains of Hawaii nei
Is a splendid Christian school
Where we often pray.
"Christ for every nation,"
Rings our motto true;
Youth of all the races sing with vision new.*

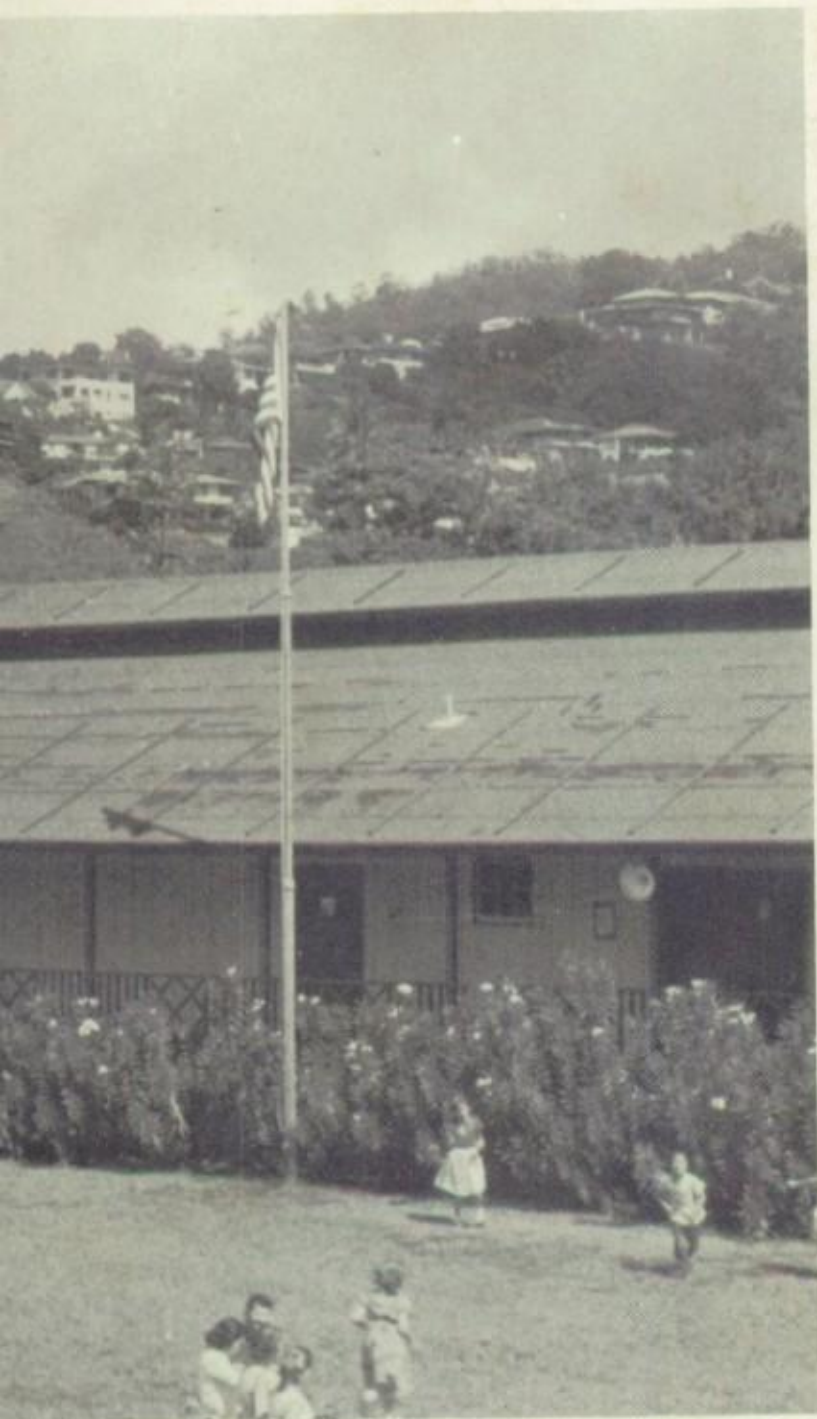

CHORUS:

*Baptist Academy, Onward then for aye,
The green and white exalt the right;
All hail H.B.A.!*

*When in graduation this our song shall be:
"Jesus our Redeemer, we will live for Thee."
We have had our training
In this school so dear;
E'en in persecution
We will never fear.*

We Dedicate-

Three years ago, Mr. William D. Bigham was introduced to us as a Social Studies teacher. As time passed on, we found that he excelled in much more.

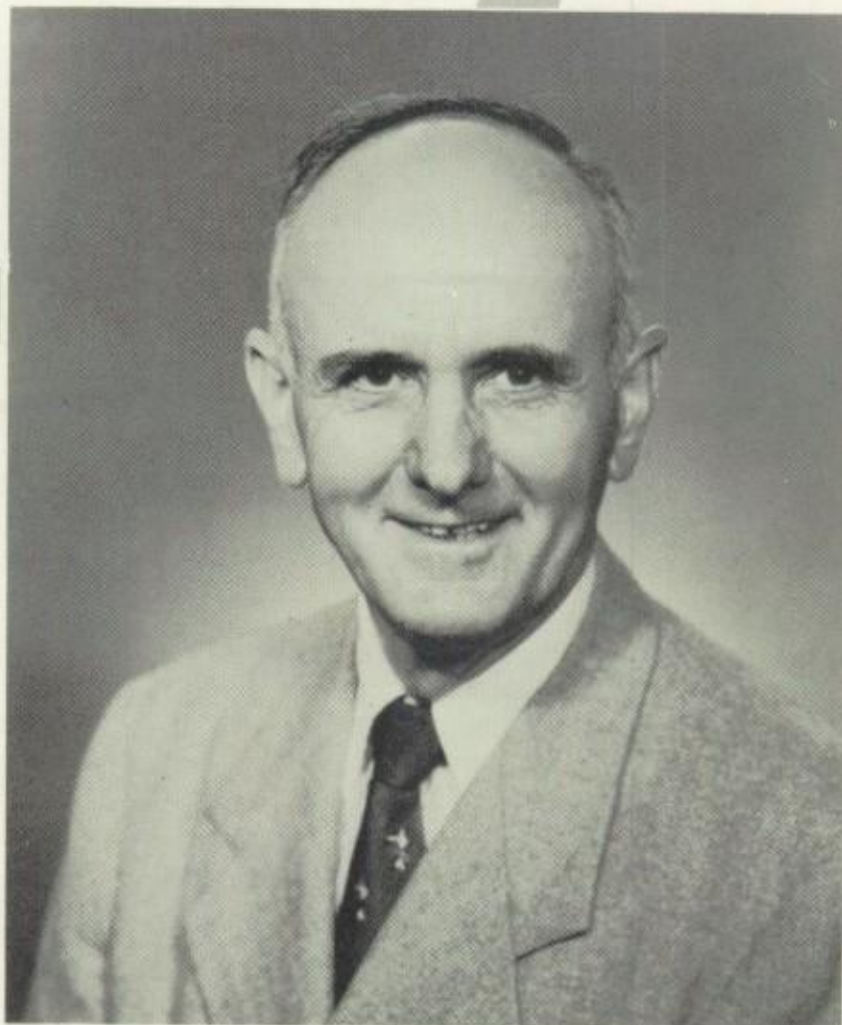

An efficient teacher . . . a skilled photographer . . . an understanding friend . . . he shows unburied interest and patience in all. Having high Christian ideals, he is devoted to the service of the great Teacher.

To you, Mr. Bigham, our teacher and friend, we proudly dedicate this 1957 edition of "The Light".

Principal's Message

Dear Seniors:

Now that you are prepared to go on to further studies or to take your place in society as useful citizens our best wishes will follow you.

A learned man of a past generation made the following his code — adopt it as your own. "I believe in work. For discontent and labor are not often companions.

I believe in thrift. For to store up a little regularly is to store up character as well.

I believe in simple living. For simplicity means health and health means happiness.

I believe in loyalty. For if I am not true to others, I cannot be true to myself.

I believe in a cheerful countenance. For a sour face is the sign of a grouch.

I believe in holding up my chin. For self respect commands respect from others.

I believe in keeping up courage. For troubles flee before a brave front.

I believe in bracing up my brother. For all encouraging work may keep him from falling.

I believe in living up to the best that is in me. For to lower the standard is to give up the fight."

Elementary Activities

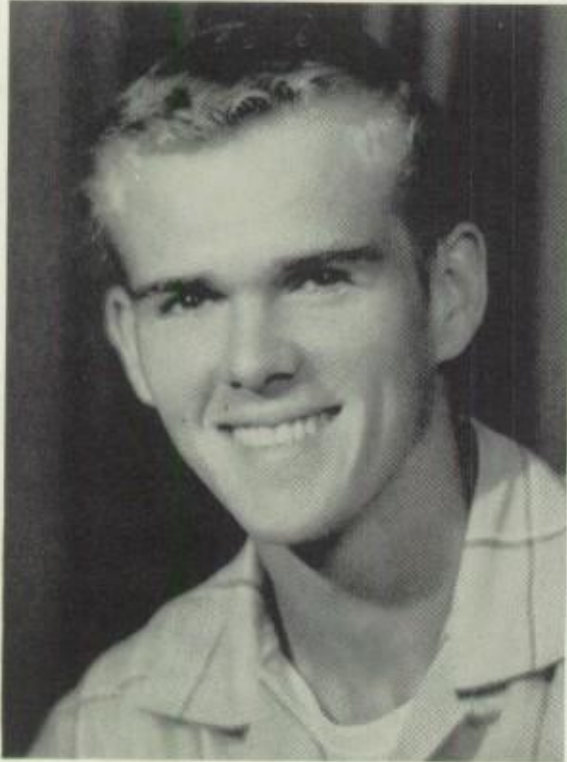

Activities

Dorothy Brown and Paul Shaffer were chosen Mr. and Miss H.B.A. of 1957. These seniors were elected by popular vote on the basis of their personality, scholarship, and Christian character. Faculty and students of the Baptist Academy congratulate you, Dorothy and Paul, and hope you will always seek God's perfect will for your lives.

Student Council

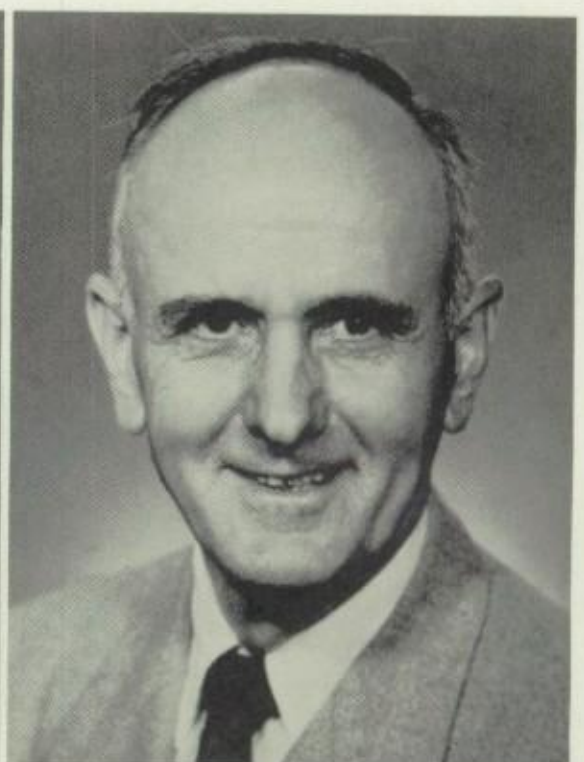

Selling Christmas seals for the Tuberculosis Association and conducting a mock election before the Presidential Election were two of the special projects of the Student Council this year. This council helped promote good will among the students and faculty and regularly elected the Personality of the Month.

The Journalism Club of Hawaiian Baptist Academy is proud to present "The Light" of 1957.

Very special recognition goes to Walter Takeda, art editor, for his distinctive Japanese style artwork. Ideas for his art came during a visit to Japan in the summer of 1953. Walter hopes to return there sometime after graduation and study art. With his creative talent, industriousness, and enthusiasm for his favorite pastime, hobby, and work, Walter is sure to be a success in this field.

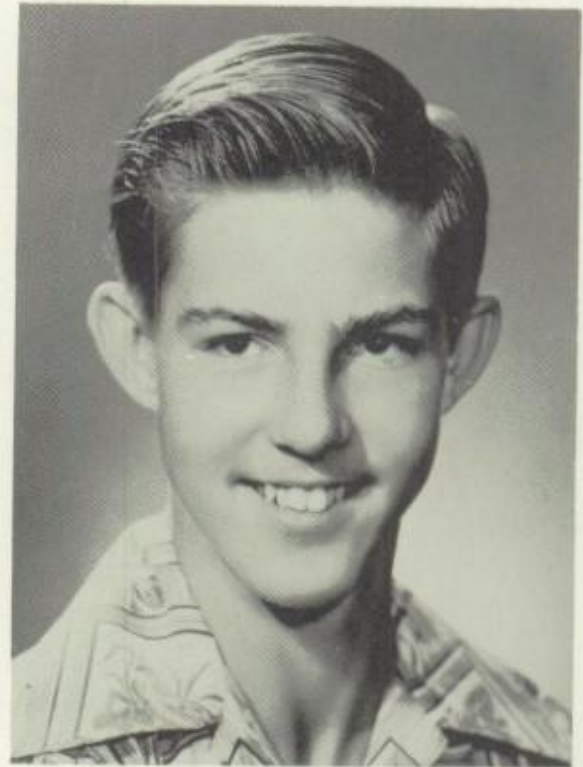

A Chinese benefit dinner in March, babysitting at P.T.A. meetings, and candy sales were the important projects for raising money needed for the yearbook fund.

This year, the Junior and Senior Composition Classes, under the advisorship of Mr. Gene Anderson, combined their time and effort to put out the monthly issues of Ka Leo O Ka Kula. Each issue, filled with news of campus and alumni activities, was eagerly anticipated by all.

Heartfelt acknowledgment of appreciation goes to "The Light" staff for the photographic contributions, the Journalism Club who sponsored the paper, and the Farrington High School press which did the printing.

Art Department

*Art is a medium to express one's feeling,
An urge of expression, a sob of depression,
A song of elation, the joy of completion.
It hides beneath its dashing strokes, colors, and planes
Countless hours of reaching for an ultimate goal,
Which when professed on willing canvas claims
The viewer's interest, and inspires his soul.*

Melody Nabori

MISS LILLIE HUNDLEY

Home Economics

The Home Economics Department has grown both in class number and in supplies. Two new electric Singer machines were purchased this year making a total of seven electric machines. Special love gifts from friends on the Mainland have made it possible to buy two sets of Sango China. Our silverware is 1881 Rogers Silver in Plantation pattern. It was our good fortune to have received a lovely silver tea and coffee service. We have also received a beautiful hand made lace table cover from Switzerland. Our next goal is to get dinner table linen and napkins, and crystal dinner goblets.

Courses being offered again this year include: clothing, foods, meal planning, budgeting, child care, health and first aid, interior decoration, good grooming, etiquette, manners and entertaining, consumer buying, family relations and careers.
